DESSERTs • BOREKs • PASTRIEs • CAKEs

since 1952

Baklava-style desserts and Turkish delights have a long tradition in Turkey going back to Ottoman times. Chefs in the palace kitchens created and prepared sumptuous desserts that continue to be popular today. For over fifty years, Seyidoğlu has been a legendary name in Turkey, providing the public with these same delectable sweets. At Seyidoğlu, we take pride in combining the best ingredients and skilled workmanship with love and care to make our products. The result is a dessert or a delight with an exquisite symphony of tastes that will take you back to the table of Sultan.
